**Subject:** More files for SEMS and Admin record

Hi,

Its me again, I have more files to upload. Please add the five FS files in the link below to SEMs and the admin record (AR collection AR66414 – Riverside Industrial Park site). Just to be clear, I had sent a link a few hours earlier with different files because these documents were not finalize yet. I am not sure if you started uploading those yet. So the link below is a separate folder with different files that also need to be uploaded. Also, we plan to publish the proposed plan on Wednesday July 22. It would be amazing if you can get it all in by then. I would really appreciate it.

Also, please add doc id 613933 (Conditional approvals) to the admin record.

Let me know if you have any questions,

Thank you!

Josh
